15. Accidental Damage Protection information:
Accidental damage is defined as physical damage to a product caused by or resulting from a fortuitous incident. Covered perils include non-intentional liquid spills in or on the unit, drops, falls, and electrical surge. This includes damaged or broken liquid crystal displays (LCDs), or broken parts. Accidental damage protection does not cover theft, loss, fires, damage caused by a vehicle accident or act of God, normal wear, consumables, intentional acts of damage, or other exclusions, as detailed in the "Service limitations" section. Major parts replacement is subjected to certain limitations as detailed in the "Service limitations" section.
