HEALTHY SCHOOL SEMINARS

May 26th

UNDER PRESSURE – FEELING BLUE?

Dr Josephine Ong from the Central Practice gave a very interesting and informative seminar on the effects of stress.

KGV parents and some from Shatin College attended and there was a lively discussion on this topic.

The PTSA hopes to schedule other areas of interest to parents in Term 1 2010. If you have any suggestions, please send them to our PTSA administrator ptsa@kgv.edu.hk or ring 27606660.

We hope to hold other health-related seminars for students next term starting after school at 4pm. For example, a practical demonstration by Albert Tse, Physiotherapist (Dr Vio & Partners) on spinal health, a hands-on demonstration of common foot problems and a seminar on the symptoms of stress.

Slides from the Healthy School Seminar series will be put on the PTSA website in June.
